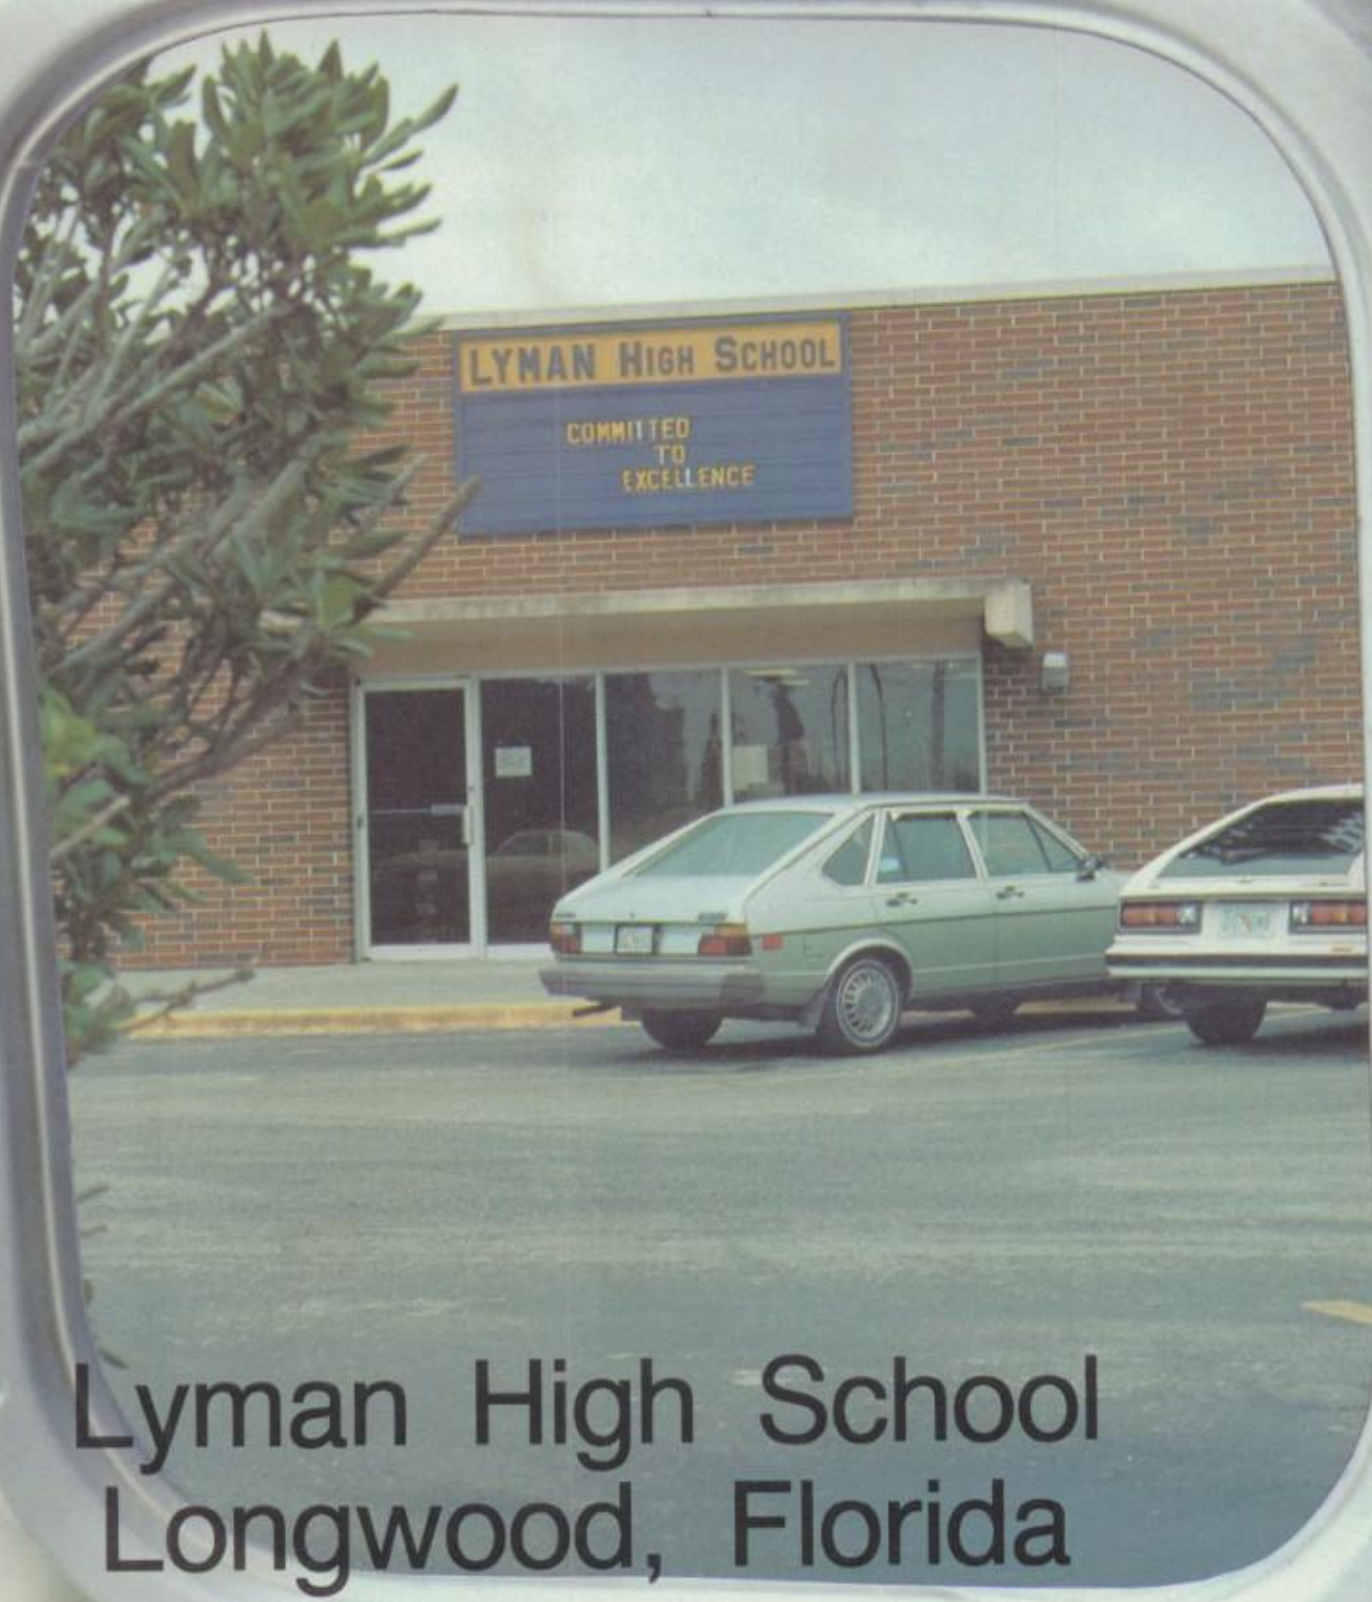
THE GREYHOUND



Lyman High School
Longwood, Florida

Volume 58

1985

WELCOME ABOARD!

Leave the driving to us!

Travel with us through 1984-85 in the "Greyhound Special." See Lyman High School in all its grandeur. Visit the caverns of lockers; the vast wasteland where the students park their cars. The sidewalk cafes where strange foreign foods abound. Listen to the sounds across the campus that lure us all to the Pep Rallies, Sporting events, and attendance office.

Take the side tour to Guidanceville where other tours to distant campuses can be made. Visit the "creatures" in the shadows of the grandstands. See the breakdancers perform in the hidden tombs of the Round Building.

Observe the unusual rituals conducted by biologists and scientists while they hold you spellbound as they disect a fetal pig before your very eyes. See the death defying attempts of students racing for their cars to be first on the road, as the sun sinks slowly in the west. Just hand your ticket to our most capable driver — get on board the "Greyhound Special" for a ride we're sure you'll never forget.

Rodney Sosa,
Editor

As your journey comes to an end, I trust all of you at Lyman have enjoyed your trip and will remember this Greyhound Tour for many years to come. The staff has enjoyed the excitement and labors that made this trip possible and join me in thanking all of those who have made the trip through 1984 and 1985 a memorable one.

Special Thanks

We are grateful to Mrs. Amodt and Mrs. Robinson for "selling the tickets," Doug Demaree, our Publisher's representative, and so many others who were our tour guides along the way.
